

## Sanctions against Russia

Due to Russia's offensive invasion into the Ukraine, the European Community has passed several goods- and person-related sanctions and further legal measures.

We hereby will inform you that Novotechnik complies with all restrictive measures based on EU-Directive Nr. 833/2014 (Russia) and all the actual changes, resp. the EU-Directive 765/2006 (Belarus), as well as all previous sanctions and embargos of weapons and arms.

Novotechnik neither imports nor exports sanctioned products.
